A. & M. College,  
College Station, Texas.

My dear Dr. Stenzel :

I am sending under separate cover a copy  
of my Handbook of Texas Cretaceous Fossils, Bulletin 2838.

I thought you might be interested in the  
Paleontological Society, since they have a pretty good  
journal. In case you should like to join any time, I have  
enclosed a blank for your convenience.

I will write you later about the Breslau  
fossils.

I am working in Bell County now.

With best regards,

Yours very truly,

W. S. Adkins  
Geologist
