

August 14, 1947

Mr. Robert O. Vernon
Florida Geological Survey
Drawer 631
Tallahassee, Florida

Dear Mr. Vernon:

The box of fossils which you announced in your letter of August 7 arrived safely. I haven't had time to open it yet, but will do so in the near future. This letter is just to acknowledge receipt of the box.

Sincerely yours,

H. B. STEWEL
Geologist
